**Board of County Commissioners**  
6495 Caroline Street, Suite M  
Milton, Florida 32570

---

**WELLFIELD WORKSHOP**

**Monday, September 10, 2012 – 3:30 p.m.**

**Administrative Complex Board Meeting Room**

---

1. Presentations on East Milton / Fairpoint aquifer science

Alan Baker, P.G., Florida Geological Survey (formerly with Advanced GeoSpatial, Inc)

*INVITED*

Aquifer vulnerability studies

Tony Countryman, Senior Hydrogeologist, NFWMD

East Milton / Fairpoint aquifer characteristics

Travel time modeling for East Milton and Fairpoint wells

Tim Haag, Director of Communications & Government Affairs, Emerald Coast Utility Authority  
Escambia County wellfield protection

2. Discussion of policy questions

Is added protection necessary beyond the existing 500' Wellhead Protection Areas and the Fairpoint Wellfield Overlay District?

If additional protection is necessary, should it include

(1) additional wellhead protection, or

(2) additional wellfield protection?

If additional protection is necessary, should the regulating ordinance focus on

(1) a comprehensive list of prohibited uses, or

(2) additional development standards?

3. Public Comment
