FROM: Beckie Cato, Planning Director

THROUGH: Tony Gomillion, County Administrator

DATE: May 18, 2016

RE: 2040 Comprehensive Plan Transmittal Public Hearing

DISCUSSION:

Recommend Board approval to transmittal the proposed 2040 Comprehensive Plan to state, regional, and local agencies for review and comment.

BACKGROUND:

The 2040 Comprehensive Plan update has been in process for approximately one year, with individual elements presented to the Board each month for review and comment. At the April BOCC special rezoning meeting, the Board reviewed and approved the final plan draft and scheduled the transmittal public hearing.

The compiled elements of the 2040 Comprehensive Plan update are posted on the County's project [website](#) . The update is posted in both strikethrough/underline format and in its final form with the strikethrough/underline removed.

NEXT STEPS:

If approved by the Board, staff will forward the plan to certain state, regional, and local agencies for comment as required by state statute.
