**Election of Officers**

The Board continued their rotation of the Chair and Vice Chair positions based on districts. This placed Frank Harold in the Chairman position and Danny Holt in the Vice Chairman position.

**After a first and second motion, the vote was unanimous.**

**Open Forum**

a. Mr. Byrom addressed the Board regarding Sanborn Builders. He explained some of the contractual issues he is having with the contractor and asked if the Board could provide any assistance.

**After some discussion amongst the Board and Mr. Byrom, and since Mr Sanborn is a State Certified contractor, the Board recommended that he go to the Department of Business and Professional Regulation with his complaint. The Board also requested that the Building Inspection office copy our case file to the local DBPR office.**

b. The Board was presented with a revised "Recommended Contractor Fines" schedule which they reviewed.

Issues of concern:

- The majority wanted higher limits on the Maximum dollar amounts. Rhonda stated that the maximum fine that we can impose, at the local level, is \$5,000.
- How many days should be given to pay the fine? If not paid, they would like a "hold" placed on the license until payment is received by the Building Inspection office.
- What is the intended use of the funds?  
(Mr. Dannheisser stated that the Board can recommend a preference)
- Can the Board levy a fine against a State Certified contractor?

**Mr. Harold made a motion that the Board review the revised schedule, set fees and return to the next meeting for further discussion. Mr. Blackman seconded the motion. The motion passed with a unanimous vote.**

**Mr. Blackman made a motion to adjourn the meeting. Mr Harold seconded the motion. The motion carried with a unanimous vote.**

The meeting was adjourned at 3:40 p.m.
