The Santa Rosa County Board of County Commissioners, Ed Waters and Sons Contracting Company and PBS&J will celebrate the progress of construction of the much awaited new Navarre Beach Pier at 1:30 p.m. on Thursday, May 28. The event will take place at the new Navarre Beach Pier construction site located at 8579 Gulf Boulevard.

The public is invited to attend the event which will feature the setting of the pier's pile cap number two. In addition, all attendees will be invited to be a part of a photo, which will be permanently displayed upon completion of the project. The photo will serve as a symbol of the resilience of Santa Rosa County residents and the historic recovery process after hurricanes Ivan and Dennis.
