

*Night Work on US 90 in Milton Necessitates Lane Shift*

**Chiple**y – Friday, July 10, US 90 From Willing St. to Elmira St. (in front of courthouse), in downtown Milton, will be transitioned to handle two- way traffic, (one lane in each direction) after 8 p.m. Westbound traffic will be shifted onto the eastbound lane, eastbound traffic will be shifted over into the diagonal parking spaces in front of the court house.

This temporary shift will be in place to allow crews to demolish the remainder of a concrete block and brick wall adjacent to the sidewalk. Motorists are reminded to use caution, watch for barricades and construction signs and to obey the posted speed limit when traveling through the construction zone.
