This event is to raise money to benefit the Santa Rosa County VETS to VA CLINICS program. This program provides transportation for Santa Rosa County resident veterans to the VA clinic in Pensacola for health care. For many of our veterans, VA is their only health care, yet so many do not have the resources or ability to obtain transportation on their own. Business leaders, concerned citizens and fellow veterans have come together to continue to honor our Santa Rosa County veterans by creating this free of charge, transportation program from their home to the VA clinic.

Your participation in our golf tournament and an additional contribution/sponsorship to this program will help make this program a success and continue to provide transportation for our veterans for many years to come.

Your tax deductible contributions can be made directly to:

Milton, FL 32570

## NAS Whiting Field

Whiting Field Golf Course, located in the northeast section of NASWF, offers 18 championship holes. Mounding, water hazards and waste bunkers are among the many challenges built into this course. You'll also be able to watch the training of our future aviators overhead and as they takeoff and land on nearby runways!

The public access gate for Whiting Field Golf Course can be reached by going north 2.1 miles on East Gate Rd, (87A) from Munson Hwy to Whiting Field Circle. The access gate is about 3.5 miles on the left.

From Hwy 87, go 2 miles north of the NAS Whiting Field main gate entrance road and turn right on Whiting Field Circle. The access gate will be about 2 miles on the right.
