SECTION I

INFORMATION AND INSTRUCTIONS

- 1.1 The complete original proposal must be submitted in a sealed package and received in accordance with the instructions detailed in the cover letter. All proposals shall be labeled “**CR184A BERRYHILL ROAD MILL AND RESURFACE - DESIGN**”. Proposers shall file all documents necessary to support their proposal and include them with their proposal. Proposers shall be responsible for the actual delivery of proposals during business hours to the address indicated in the cover letter. It shall not be sufficient to show that the proposal was mailed in time to be received before scheduled closing time. Proposal documents are exempt from public record for a period of 30 days or a Notice of Intent to Award is issued whichever comes sooner per Chapter 119, as amended, of the Florida Statutes.
- 1.2 **Proposal Format:** Proposals shall be submitted in the following format and include the following information.
- A. Detailed description of project approach as requested in the Scope of Services
 - B. Qualifications and experience as detailed in the Scope of Services
- 1.3 It is the sole responsibility of the **PROPOSER** to assure that they have received the entire Request for Letters of Response.
- 1.4 Proposers will be notified in writing of any change in the specifications contained in this Request.
- 1.5 No verbal or written information which is obtained other than through this Request or its addenda shall be binding on the Santa Rosa County. No employee of Santa Rosa County is authorized to interpret any portion of this Request or give information as to the requirements of the Request in addition to that contained in or amended to this written Request document.
- 1.6 **Right of Rejection and Clarification:** Santa Rosa County reserves the right to reject any and all proposals and to request clarification of information from any proposer. Santa Rosa County is not obligated to enter into a contract on the basis of any proposal submitted in response to this document.
- 1.7 **Request for Additional Information:** Prior to the final selection, proposers may be required to submit additional information which the County may deem necessary to further evaluate the proposer's qualifications.
- 1.8 **Denial of Reimbursement:** Santa Rosa County will not reimburse proposers for any costs associated with the preparation and submittal of any proposal, or for any travel and/or per diem costs that are incurred.
- 1.9 **Gratuity Prohibition:** Proposers shall not offer any gratuities, favors, or anything of monetary value to any official, employee, or agent of Santa Rosa County for the purpose of influencing consideration of this proposal.
- 1.10 **Right of Withdrawal:** A proposal may not be withdrawn before the expiration of ninety (90) days from the proposal due date.

- 1.11 Right of Negotiation:** Santa Rosa County reserves the right to negotiate with the selected proposer the exact terms and conditions of the contract.
- 1.12 Exceptions to the Request:** Proposers may find instances where they must take exception with certain requirements or specifications of the Request. All exceptions shall be clearly identified, and written explanations shall include the scope of the exceptions, the ramifications of the exceptions for Santa Rosa County, and a description of the advantage to be gained or disadvantages to be incurred by the County as a result of these exceptions.
- 1.13 Indemnification:** Proposer, at its own expense and without exception, shall indemnify, defend and pay all damages, costs, expenses, including attorney fees, and otherwise hold harmless Santa Rosa County, its employees, and agents, from any liability of any nature or kind in regard to the delivery of these services.
- 1.14 Rights to Submitted Material:** All proposals, responses, inquiries, or correspondence relating to or in reference to this Request, and all reports, charts, and other documentation submitted by proposers shall become the property of Santa Rosa County when received.
- 1.15 Copies:** An original and eleven copies, and one CD of the proposal and supporting documents must be submitted in response to the Request. All responses must relate to the specifications as outlined.
- 1.16 Insurance:** The individual/firm that is chosen will be required to provide proof of Workers' Compensation Insurance for all of its workers that is consistent with the Florida Workers' Compensation law. In addition, General Liability Insurance, Automobile Insurance, and Professional Liability Insurance should be held by the Consultant.
- 1.17 Disadvantaged Business Enterprise (DBE) -** For this FDOT assisted contract, Santa Rosa County has adopted the FDOT DBE Program goal. The FDOT began its race neutral DBE program on January 1, 2000 and has an overall 9.91% goal it must achieve. While the utilization is not mandatory in order to be awarded the contract, continuing utilization of DBE firms on contracts supports the success of Florida's Voluntary DBE Program, and supports contractor's Equal Employment Opportunity and DBE Affirmative Action Programs.

The Federal DBE Program requires States to maintain a database of all firms that are participating or attempting to participate on FDOT-assisted contracts. The list must include all firms that bid on prime contracts or bid or quote subcontracts on FDOT-assisted projects, including both DBE's and non-DBEs. Please complete the Bidders Opportunity List through the Equal Opportunity Compliance system within 3 business days of submission of the bid or proposal for ALL subcontractors or sub-consultants who quoted to you for specific project for this letting. The web address to the Equal Opportunity Compliance system is:
<https://www3.dot.state.fl.us/EqualOpportunityCompliance/Account.aspx/LogIn?ReturnUrl=%2fEqualOpportunityCompliance%2f>.

1.18 Title VI Nondiscrimination Policy Statement: During the performance of this contract, the contractor, for itself, its assignees and successors in interest (hereinafter referred to as the “contractor”) agrees as follows:

1. **Compliance with Regulations:** The contractor shall comply with the Acts and the Regulations relative to Nondiscrimination in federally-assisted programs of the U.S. Department of Transportation, Federal Highway Administration, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.
2. **Nondiscrimination:** The contractor, with regard to the work performed by it during the contract, shall not discriminate on the grounds of race, color, national origin, sex, age, or disability in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The contractor shall not participate either directly or indirectly in the discrimination prohibited by the Acts and the Regulations, including employment practices when the contract covers a program set forth in Appendix B of 49 CFR Part 21.
3. **Solicitations for Subcontracts, Including Procurements of Materials and Equipment:** In all solicitations either by competitive bidding or negotiation made by the contractor for work to be performed under a subcontract, including procurements of materials or leases of equipment, each potential subcontractor or supplier shall be notified by the contractor of the contractor’s obligations under this contract and the Acts and the Regulations relative to Nondiscrimination on the grounds of race, color, national origin, sex, age, or disability.
4. **Information and Reports:** The contractor shall provide all information and reports required by the Acts, the Regulations and directives issued pursuant thereto and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Recipient or the Federal Highway Administration (FHWA) to be pertinent to ascertain compliance with such Acts, Regulations, orders, and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish this information the contractor shall so certify to the Recipient or the FHWA, as appropriate, and shall set forth what efforts it has made to obtain the information.
5. **Sanctions for Noncompliance:** In the event of the contractor’s noncompliance with the Nondiscrimination provisions of this contract, the Recipient shall impose such contract sanctions as it or the FHWA may determine to be appropriate, including, but not limited to:
 - i. Withholding of payments to the contractor under the contract until the contractor complies; and/or
 - ii. Cancellation, termination, or suspension of the contract, in whole or in part.

1.19 Discriminatory Vendor List and Debarment/Suspension: An entity or affiliate, who has been placed on the discriminatory vendor list, as maintained by the Florida Department of Management Services, may not submit a bid. Additionally, an entity or affiliate shall not be Debarred or Suspended in accordance with Executive Order 12549, Debarment and Suspension (2 CFR 1326).

- 1.20 Submittal of Qualifications:** Proposals should include experience and qualifications as described in the Scope of Services. Additional information may be submitted as appropriate to further describe proposer and the firm's capabilities within the allotted 6 pages for the submittal.
- 1.21 Compliance with Laws:** In connection with the furnishing of supplies or performance of work under the contract, the Consultant agrees to comply with the Fair Labor Standard Act, Equal Opportunity Employment Act, ADA, and all other applicable Federal and State laws, regulations, and executive orders to the extent that the same may be applicable and further agrees to insert the foregoing provision in all subcontracts awarded hereunder. Proposers certify that all equipment, services and or goods provided to Santa Rosa County comply with the Department of Justice ADA Title III Regulations.
- 1.22 Contacts:** Proposers must submit proposals in accordance with the instructions contained in this Request. All requested information must be submitted with the proposal. Instructions for preparation and submission of proposals are contained in this package.
- 1.23 Pre-proposal meeting:** A pre-proposal meeting will NOT be held for this project.
- 1.24 Public Entity Crimes Statement:** In accordance with Florida Statutes Sec. 287.133(2)(a), "A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide and goods/services to a public entity, may not submit a bid on a contract with a public entity for construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or Consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for Category Two, for a period of 36 months from the date of being placed on the convicted vendor list."
- 1.25 Performance Evaluation:** At the end of the contract, the receiving department will evaluate the successful Proposer's performance. This evaluation will become public record.
- 1.26 Contracting with County Employees or Board Members:** Any County employee, Board member or member of his or her immediate family seeking to contract with the County shall seek a conflict of interest opinion from the County Attorney or his designated representative prior to submittal of a response or application of any type to contract with the County. The affected employee or Board member shall disclose his or her assigned function within the County and interest or the interest of his or her immediate family in the proposed Contract and the nature of the intended Contract.

Florida Statutes 112.313(12) Standards Of Conduct For Public Officers, Employees Of Agencies, And Local Government Attorneys controls contracting with County employees or board members, and provides directions accordingly.

Request for Letters of Response

CR184A BERRYHILL ROAD MILL AND RESURFACE - DESIGN

Project Description:

Santa Rosa County DESIGN - CR184A BERRYHILL ROAD MILL AND RESURFACE

This Contract will be executed up to that amount which will provide adequate design services to insure compliance with FDOT 2015 Design Standards and compliance with FDOT LAP guidelines. The project limits are Berryhill Road (CR184A) from the east end of the new alignment near Chumuckla Highway (CR197) eastward to the Pond Creek Bridge for approximately 2.8 miles. Surveying and plans preparation for this project will show milling some areas of the roadway, overlaying the two lane section and several turnlanes and intersections, striping, and grading/vegetating the roadway shoulders. Due to severe alligator cracking, a crack relief layer of tack coat and angular stone covered by a layer of sand asphalt for levelling may be required.

FINAL FDOT approved plans and project manual must be obtained by May 31, 2015

Project Contact: Chris Phillips, P.E. 850-981-7100 chrisp@santarosa.fl.gov

Special Notes:

The County staff will review the submitted letters of response and provide a recommendation of award to the Board of County Commissioners (BOCC) based on ranking. Letters should address the items under EVALUATION CRITERIA and will be limited to six (6) pages in length, 10 point font or larger. Submit 12 hardcopies and 1 CD for review to the Santa Rosa County Procurement Department, Attention: Orrin Smith 6495 Caroline Street Suite G, Milton, Florida 32570. The following items are to be included in the submittal but, will not be counted towards the six page limit (all forms are attached at the back of the scope of services)

- Proposed Sub-consultant Listing Form
- One (1) Page Staffing Matrix Form
- DBE Participation Statement Form
- Two (2) Page Resume for Each Person Proposed, Including Sub-consultants
- Certificates of Insurance as described in "Information and Instructions" 1.16
- Proof of Licenses/Certifications -Provide proof of proper State of Florida business licensure and professional certifications/registration(s) in the State of Florida. DESIGN

SCOPE OF SERVICES

FOR

CR184A BERRYHILL ROAD MILL AND RESURFACE – DESIGN

General Assign DESIGN Services for Santa Rosa County

1.0 **PURPOSE AND SCOPE:**

This statement of work describes and defines the services which are required for the general design of a contract to construct the CR184A BERRYHILL ROAD MILL AND RESURFACE - DESIGN in Santa Rosa County. Work assignments include total surveying and design services to produce mill and resurface plans in accordance with FDOT 2015 Design Standards, 2011 Florida Greenbook Requirements, Big 4 LAP Specifications and FDOT LAP standards. All submittals must contain all items on the LAP Checklist for Construction Projects as applicable.

The Consultant shall be responsible for providing services as defined in this Scope of Services. The Consultant shall exercise their independent professional judgment in performing their obligations and responsibilities under this Agreement, in accordance with standard engineering practices and local and state law.

2.0 **LENGTH OF SERVICE:**

The Consultant services for the Design Contract shall begin upon written notification to proceed by the County. The duration of the Design Contract will be 120 days.

The Consultant shall maintain books, records, documents, and other evidence directly pertaining to or connected with the services under this Agreement which shall be available and accessible at the Consultant' offices for the purpose of inspection, audit, and copying during normal business hours by the County, or any of its authorized representatives. Such records shall be retained for a minimum of three (3) years after completion of the services.

3.0 **DEFINITIONS:**

- A. **Project Manager** shall mean the County employee assigned to manage the Design Contract and represent the County during the performance of the services covered under the Agreement.
- B. **Consultant** shall mean the firm or company under contract with the County for administration of Design Services for the Project.
- C. **Agreement** shall mean the Professional Services Agreement between the County and the Consultant setting forth the obligations of the parties thereto, including but not limited to the performance of work, furnishing of services and the basis of payment.
- D. **Project** shall mean the CR184A BERRYHILL ROAD MILL AND RESURFACE – DESIGN Project.

4.0 ITEMS TO BE FURNISHED BY THE COUNTY TO CONSULTANT:

- When appropriate the County will provide project data currently on file.
- Provide phase reviews of plans and engineering documents.
- Provide appropriate signatures for any necessary environmental permitting applications.

5.0 ITEMS FURNISHED BY THE CONSULTANT:

A. Vehicles

Vehicles will be equipped with appropriate safety equipment and must be able to effectively carry out requirements of this Agreement. Vehicles shall have the name and phone number of the consulting firm visibly displayed on both side of the vehicle.

B. Field Equipment

The Consultant shall supply equipment essential to carry out the work under this Agreement. Such equipment includes those non-consumable and non-expendable items, which are normally needed for a surveying/design project and are essential in order to carry out the work under this Agreement. Hard hats shall have the name of the consulting firm visibly displayed. Appropriate reflective vests per FHWA standards shall be worn onsite at all times. Equipment described herein and expendable materials under this Agreement will remain the property of the Consultant and shall be removed at completion of the work. The Consultant shall retain responsibility for risk of loss or damage to said equipment during performance of this Agreement. Field equipment shall be maintained and in operational condition at all times. All surveying MOT shall be in accordance with FDOT standards and laws of the State of Florida.

C. Licensing for Equipment Operations

The Consultant will be responsible for obtaining proper licenses for equipment and personnel operating equipment when licenses are required. The Consultant shall make the licenses and supporting documents available to the County for verification upon request.

6.0 LIASION:

The Consultant shall keep the Project Manager informed of all significant activities, decisions, correspondence, reports, and other communication related to its responsibilities under this Agreement. The Project Manager shall review and approve the Consultant's invoice approval requests, personnel approval requests, time extension requests, and Agreement amendment requests.

7.0 PERFORMANCE OF THE CONSULTANT:

During the term of this Agreement and all extensions thereof, the County will review various areas of Consultant operations to determine compliance with this Agreement. The Consultant shall cooperate and assist County representatives in conducting the reviews. If deficiencies are indicated, the Consultant shall implement remedial action immediately upon approval of the Project Manager. County recommendations and Consultant responses or actions, or both, are to be properly documented by the Consultant. Consultant shall not be compensated for remedial actions, if any are required, undertaken by the Consultant to correct deficiencies. Remedial actions and required response times may include but are not necessarily limited to the following:

1. Further subdivide assigned design responsibilities, or reassign design personnel, within one week of notification.
2. Replace personnel whose performance has been determined by the County to be inadequate. Personnel whose performance has been determined to be unsatisfactory shall be removed immediately.
3. Increase the scope and frequency of training of the Consultant personnel.

8.0 REQUIREMENTS:

A. General

It shall be the responsibility of the Consultant to design a project and put together project documents that result in a constructible project that meets all general engineering principles, regulatory agencies' requirements, and conforms to FDOT LAP and FHWA requirements.

B. Design

1 Cost Estimates

The Consultant shall be responsible for producing a construction cost estimate and reviewing and updating the cost estimate when scope changes occur and/or at milestones of the project.

2 Field Reviews

Includes all trips required to obtain necessary data for all elements of the project.

3 Technical Meetings

Includes meetings with County staff, between disciplines and subconsultants, such as access management meetings, pavement design meetings, municipalities, railroad companies and other miscellaneous meetings. The Consultant shall prepare and submit to the County Project Manager for review, the meeting minutes for all meetings. The meeting minutes are due within five (5) days of attending the meeting.

4 Specifications / Project Manual

The Consultant shall prepare and provide a project manual complete with Manual cover sheet, table of contents, project specific County front end documents, Schedule of Unit Prices, documents required by the LAP program, and technical specs as outlined in the general scope of work.

5 Plans

The Consultant shall prepare and provide plans including a cover/index sheet, plan and profile sheets, details, appropriate critical cross sections, and SWPP detail sheet if applicable.

C. Surveying

The Consultant shall perform survey tasks in accordance with all applicable statutes, manuals, guidelines, standards, handbooks, procedures, and current design memoranda.

Scope: Consultant shall survey all in place improvements necessary to produce plans for the milling and resurfacing of an existing roadway. This will include the limits of the existing asphalt for the roadway and, at a minimum, the return radii for each side street and intersection throughout the limits. All existing driveway connections within the public right of way should be shown. All existing striping and signage within the limits shall be shown.

The Consultant shall submit all survey notes and computations to document the surveys. All field survey work shall be recorded in approved media and submitted to the County. Field books submitted to the County must be of an approved type. The field books shall be certified by the surveyor in responsible charge of work being performed before the final product is submitted.

The survey notes shall include documentation of decisions reached from meetings, telephone conversations or site visits. All like work (such as bench lines, reference points, etc.) shall be recorded contiguously. The County may not accept field survey

radial locations of section corners, platted subdivision lot and block corners, alignment control points, alignment control reference points and certified section corner references. The County may instead require that these points be surveyed by true line, traverse or parallel offset.

1 Horizontal Project Control (HPC)

Establish or recover HPC, for the purpose of establishing horizontal control on the Florida State Plane Coordinate System or datum approved by the County Surveyor (CS); may include primary or secondary control points. Includes analysis and processing of all field collected data, and preparation of forms.

2 Vertical Project Control (VCP)

Establish or recover VCP, for the purpose of establishing vertical control on datum approved by the County Surveyor (CS); may include primary or secondary vertical control points. Includes analysis and processing of all field collected data, and preparation of forms.

3 Alignment and/or Existing Right of Way Lines

Establish, recover or re-establish project alignment. Also includes analysis and processing of all field collected data, existing maps, and/or reports for identifying mainline, ramp, offset, or secondary alignments. Depict alignment and/or existing R/W lines (in required format) per County or State R/W Maps, platted or dedicated rights of way.

4 Reference Points

Reference HPNC points, project alignment, vertical control points, section, ¼ section, center of section corners and G.L.O. corners as required.

5 Topography/DTM (3D)

Locate all above ground features and improvements for the limits of the project by collecting the required data for the purpose of creating a DTM with sufficient density. Shoot all break lines, high and low points. Effort includes field edits, analysis and processing of all field collected data, existing maps, and/or reports.

6 Planimetric (2D)

Locate all above ground features and improvements. Deliver in appropriate electronic format. Effort includes field edits, analysis and processing of all field collected data, existing maps, and/or reports.

7 Roadway Cross Sections/Profiles

Perform cross sections or profiles. May include analysis and processing of all field-collected data for comparison with DTM.

8 Side Street Surveys

Refer to tasks of this document as applicable.

9 Underground Utilities

Designation includes 2-dimensional collection of existing utilities and selected 3-dimensional verification as needed for designation. Location includes non-destructive excavation to determine size, type and location of existing utility, as necessary for final 3-dimensional verification. Survey includes collection of data on points as needed for designates and locates. Includes analysis and processing of all field collected data, and delivery of all appropriate electronic files.

10 Outfall Survey

Locate all above ground features and improvements for the limits of the project by collecting the required data for the purpose of a D.T.M. Survey with sufficient density of shots. Shoot all break lines, high and low points. Includes field edits, analysis and processing of all field collected data, existing maps, and/or reports.

11 Drainage Survey

Locate underground data (XYZ, pipe size, type, condition and flow line) that relates to above ground data. Includes field edits, analysis and processing of all field collected data, existing maps, and/or reports.

12 Channel Survey

32 Supervision

Perform all activities required to supervise and coordinate project. These activities must be performed by the project supervisor, a Florida P.S.M. or their delegate as approved by the County Surveyor or County Project Manager.

33 Coordination

Coordinate survey activities with other disciplines.

D. Other Related Design Duties

The Consultant shall perform other related duties to assist the County as requested in writing by the Project Manager in addition to those listed here. All documents required by FDOT LAP manager to be uploaded into LAPIT at conclusion of project shall be uploaded by Consultant prior to concluding this contract.

9.0 PERSONNEL:

A. General Requirements

The Consultant shall staff the Project with the qualified personnel necessary to efficiently and effectively carry out its responsibilities under this Agreement.

B. Personnel Qualifications

The Consultant shall utilize only competent personnel, qualified by experience, and education. The Consultant shall submit in writing to the Project Manager the names of the personnel proposed for assignment to the project, including a detailed resume for each containing at a minimum education, and experience.

Personnel identified by the Consultant in the Agreement are to be assigned as proposed and are committed to performing services under this Agreement.

Personnel changes will require written approval from the County. Previously approved staff whose performance is unsatisfactory, shall be replaced by the Consultant within one week of County's notification.

Minimum qualifications for the Consultant personnel are set forth as follows. Exceptions to the minimum qualifications will be considered on an individual basis.

Project Engineer – a Civil Engineer degree and be registered in the State of Florida as a Professional Engineer and six (6) years of engineering experience.

Non-degreed personnel the aforementioned registration and ten (10) years of engineering experience (two (2) years of which are in major road or bridge design). Qualifications should include: responsible for performing technical assignments in roadway design, making and checking engineering computations, and designing a constructible project. Work is performed under the general supervision of the County.

Secretary/Clerk Typist – High school graduate or equivalent plus two (2) years of secretarial and/or clerical experience. Ability to type at a rate of 35 correct words per minute. Experienced in the use of standard word processing software. Should exercise independent initiative to help relieve the supervisor of clerical detail. Work under general supervision of the Project Engineer and their staff.

Environmental Specialist – A bachelors degree with a major in one of the physical or natural sciences or engineering and two (2) years of professional experience in environmental protection, regulation or health; one of the physical or natural sciences, or engineering; or a Masters degree in one of the physical or natural sciences or engineering and one (1) year of professional experience described above; or a doctorate in one of the physical or natural sciences or engineering or one (1) year of experience as an Environmental Specialist I with the State of Florida. Receives general instruction regarding assignments and is expected to exercise initiative and independent judgment in the solution of work problems. Must have knowledge of the terminology, principles, data collection, and analytical techniques and procedures of the physical or natural sciences. Also must have ability to collect, evaluate, analyze, and interpret scientific or technical data. This person may be the same as the Project Engineer.

C. Staffing

Once authorized, the Consultant shall establish and maintain an appropriate staff through the duration of surveying/design of the Project.

10.0 QUALITY ASSURANCE (QA) PROGRAM:

A. Quality Review

It is the intention of the County that design Consultants are held responsible for their work, including plans review. Detailed checking of Consultant plans or assisting in designing portions of the project for the Consultant is not the intent of having external design consultants. The purpose of Consultant plan reviews is to ensure that Consultant plans follow the plan preparation procedures required of LAP projects, that state and

federal design criteria are followed with the County concept, and that the Consultant submittals are complete.

The Consultant shall be responsible for the professional quality, technical accuracy and coordination of all surveys, designs, drawings, specifications and other services furnished by the Consultant under this contract.

The Consultant shall provide a Quality Control Plan that describes the procedures to be utilized to verify, independently check, and review all maps, design drawings, specifications, and other documentation prepared as a part of the contract. The Consultant shall describe how the checking and review processes are to be documented to verify that the required procedures were followed. The Quality Control Plan shall be one specifically designed for this project. The Quality Control Plan may be one utilized by the Consultant as part of their normal operation or it may be one specifically designed for this project. The Consultant shall submit a Quality Control Plan for approval within 20 (twenty) calendar days of the written Notice to Proceed. A marked up set of prints from a Quality Control Review indicating the reviewers for each component (structures, roadway, drainage, signals, geotechnical, signing and marking, lighting, surveys, etc.) and a written resolution of comments on a point-by-point basis will be required, if requested by the County, with each phase submittal. The responsible Professional Engineer, Landscape Architect, or Professional Surveyor & Mapper that performed the Quality Control review will sign a statement certifying that the review was conducted and found to meet required specifications.

The CONSULTANT shall, without additional compensation, correct all errors or deficiencies in the designs, maps, drawings, specifications and/or other services.

Independent Peer Review: When directed by the County, a subconsultant may perform Independent Peer Reviews.

11.0 VERIFICATION OF CONTRACT COMPLETION:

A. Deliverables

Upon final approval of plans and project manuals by FDOT, the Consultant shall provide 3 hard copies of the plans and project manuals as well as one electronic copy (pdf) via CD. Since all submittals to FDOT LAP for review will be made electronically, all project milestones must include pdf copies of plans and project manuals for approval. All items required by the FDOT LAP administrator to be uploaded into LAPIT shall be uploaded by the consultant at the conclusion of the design phase.

12.0. AGREEMENT MANAGEMENT:

A. General

1. With each monthly invoice submittal, the Consultant will provide a reviewed and approved Status Report for the Agreement. This report will provide the Consultant's accounting of the additional Agreement calendar days allowed to date, an estimate of the additional Agreement calendar days anticipated to be added to the original Agreement schedule time, an estimate of the Agreement completion date, and an estimate of the Consultant funds expiration date per Agreement schedule for the prime Consultant and for each sub-consultant.
2. When the Consultant identifies a condition that will require an Amendment to the Agreement, the Consultant will communicate the need to the Project Manager for an approval in concept. Once received, the Consultant shall prepare and submit the Amendment and all accompanying documentation to the Project Manager for approval and further processing.
3. The Consultant for the Project shall be responsible for performing follow-up activities to determine the status of each Amendment submitted to the County.

B. Invoicing Instructions

Monthly invoices shall be submitted to the County in a format and distribution schedule defined by the County. If the Consultant cannot submit their monthly invoice on time, the Consultant shall notify the County prior to the due date the reason for the delay and the planned submittal date. Once submitted, the Consultant shall notify the Project Manager via e-mail of the total delay in calendar days and the reason(s) for the delay(s).

13.0 SUBCONSULTANT SERVICES:

Upon written approval by the Project Manager and the County, and prior to performance of work, the Consultant may subcontract for engineering surveys or other specialized professional services.

14.0 CONTRADICTIONS:

In the event of a contradiction between the provisions of this Scope of Services and the Consultant's proposal as made a part of their Agreement, the provisions of the Scope of Service shall apply.

15.0 THIRD PARTY BENEFICIARY:

It is specifically agreed between the parties executing this Agreement that it is not intended by any of the provisions of any part of the Agreement to create in the public or any member thereof, a third party beneficiary hereunder, or to authorize anyone not a party to this Agreement to maintain a claim, cause of action, lien or any other damages or any relief of any kind pursuant to the terms or provisions of this Agreement.

16.0 COUNTY AUTHORITY:

The County shall be the final authority in considering Contract modification of the Contractor for time, money or any other consideration.

2. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1)(b), Florida Statutes, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), Florida Statutes, means:

1. A predecessor or successor of a person convicted of a public entity crime; or

2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person, or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of public entity crime.

5. I understand that a "person" as defined in Paragraph 287.133(1)(e), Florida Statutes, means any natural person or entity organized under the laws of any state or of the United States with legal power to enter into a binding contract and which bids or appeals to bid on contracts for the provision of goods and services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

6. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Indicate which statement applies.)

_____ Neither the entity submitting this sworn statement, nor one or more of the officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor any affiliate of the entity have been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officers determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. (ATTACH A COPY OF THE FINAL ORDER.)

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH 1 (ONE) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

DRUG-FREE WORKPLACE PROGRAM CERTIFICATION

287.087 Preference to businesses with drug-free workplace programs. --Whenever two or more bids, proposals, or replies that are equal with respect to price, quality, and service are received by the state or by any political subdivision for the procurement of commodities or contractual services, a bid, proposal, or reply received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. In order to have a drug-free workplace program, a business shall:

(1) Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.

(2) Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.

(3) Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection (1).

(4) In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of Chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than 5 days after such conviction.

(5) Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community by, any employee who is so convicted.

(6) Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

Does the individual responding to this solicitation certify that their firm has implemented a drug-free workplace program in accordance with the provision of Section 287.087, Florida Statutes, as stated above?

Instructions for Certification

1. By signing and submitting this certification with the proposal, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the Department may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted. If at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms 'covered transaction', 'debarred', 'suspended', 'ineligible', 'lower tier covered transaction', 'participant', 'person', 'primary covered transaction', 'principal', 'proposal', and 'voluntarily excluded', as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the person to which this proposal is being submitted for assistance in obtaining a copy of those regulations.
5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the Department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled "Appendix B: Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction", without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant are not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the Department may pursue available remedies, including suspension and/or debarment.

**CERTIFICATION FOR DISCLOSURE OF LOBBYING ACTIVITIES
ON FEDERAL-AID CONTRACTS
(Compliance with 49CFR, Section 20.100 (b))**

The prospective participant certifies, by signing this certification, that to the best of his or her knowledge and belief:

(1) No federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.

(2) If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities", in accordance with its instructions. (Standard Form-LLL can be obtained from the Florida Department of Transportation's Professional Services Administrator or Procurement Office.)

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

The prospective participant also agrees by submitting his or her proposal that he or she shall require that the language of this certification be included in all lower tier subcontracts, which exceed \$100,000 and that all such subrecipients shall certify and disclose accordingly.

INSTRUCTIONS FOR COMPLETION OF SF-LLL, DISCLOSURE OF LOBBYING ACTIVITIES

This disclosure form shall be completed by the reporting entity, whether subawardee or prime Federal recipient, at the initiation or receipt of a covered Federal action, or a material change to a previous filing, pursuant to title 31 U.S.C. section 1352. The filing of a form is required for each payment or agreement to make payment to any lobbying entity for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with a covered Federal action. Complete all items that apply for both the initial filing and material change report. Refer to the implementing guidance published by the Office of Management and Budget for additional information.

1. Identify the type of covered Federal action for which lobbying activity is and/or has been secured to influence the outcome of a covered Federal action.
2. Identify the status of the covered Federal action.
3. Identify the appropriate classification of this report. If this is a followup report caused by a material change to the information previously reported, enter the year and quarter in which the change occurred. Enter the date of the last previously submitted report by this reporting entity for this covered Federal action.
4. Enter the fullname, address, city, State and zip code of the reporting entity. Include Congressional District, if known. Check the appropriate classification of the reporting entity that designates if it is, or expects to be, a prime or subaward recipient. Identify the tier of the subawardee, e.g., the first subawardee of the prime is the 1st tier. Subawards include but are not limited to subcontracts, subgrants and contract awards under grants.
5. If the organization filing the report in item 4 checks "Subawardee," then enter the full name, address, city, State and zip code of the prime Federal recipient. Include Congressional District, if known.
6. Enter the name of the Federal agency making the award or loan commitment. Include at least one organizational level below agency name, if known. For example, Department of Transportation, United States Coast Guard.
7. Enter the Federal program name or description for the covered Federal action (item 1). If known, enter the full Catalog of Federal Domestic Assistance (CFDA) number for grants, cooperative agreements, loans, and loan commitments.
8. Enter the most appropriate Federal identifying number available for the Federal action identified in item 1 (e.g., Request for Proposal (RFP) number; Invitation for Bid (IFB) number; grant announcement number; the contract, grant, or loan award number; the application/proposal control number assigned by the Federal agency). Include prefixes, e.g., "RFP-DE-90-001."
9. For a covered Federal action where there has been an award or loan commitment by the Federal agency, enter the Federal amount of the award/loan commitment for the prime entity identified in item 4 or 5.
10. (a) Enter the full name, address, city, State and zip code of the lobbying registrant under the Lobbying Disclosure Act of 1995 engaged by the reporting entity identified in item 4 to influence the covered Federal action.
