ESCAMBIA CONSORTIUM HOME (HUD) HOMEBUYER ASSISTANCE PROGRAM

GOAL: The homebuyer program encourages the acquisition of existing affordable homes. For many homebuyers, the biggest barrier to homeownership is the down payment and closing costs. This program provides assistance to low-income families for these costs. The applicant does not have to be a first-time homebuyer.

Family Income/Underwriting Eligibility Requirements:

1. Applicants will be approved on a first come, first qualified basis. Applicant's gross household annual income must meet limitations as published for the Pensacola MSA by the U. S. Department of Housing and Urban Development (adjusted annually). As of **April 2022** income limits are as follows:

<u>Number in Household</u>	<u>Maximum Household Income</u>
One	43,300
Two	49,500
Three	55,700
Four	61,850
Five	66,800
Six	71,750
Seven	76,700
Eight	81,650

2. Applicant must have adequate, stable income and an acceptable credit rating, as determined by a participating mortgage lender. Purchaser must qualify through a mortgage lender for a conventional, FHA, VA, USDA RD fixed rate mortgage with a 30-year term. Sub-prime mortgages and adjustable rate mortgages are not allowed.
 1. The housing unit must be affordable with total monthly principal, interest, taxes and insurance not exceeding 35% of the family's total gross monthly income.
 2. The home must be the primary residence of the applicant. If the homeowner moves out, sells, transfers, rents, refinances (without approval first by SRC) or adds additional liens, or fails to maintain property insurance during the 10 year residency requirement, the entire award amount must be repaid. However, if the homeowner does not default as mentioned above, half of the 10-year mortgage is forgiven at the completion of the 5th year and 20% forgiven for every remaining year.
3. All recipients of SHIP funding (including all recipients on the loan and all spouse regardless of if on loan) are required to attend a HUD approved Homebuyer Education Class (in-person) prior to receiving funding. Classes are available through:
 - Community Enterprise Investments, Inc. (CEII). Reservations for the class can be made by calling Preston Denagall at 850-595-6234 extension 206. The class is provided free of charge to the prospective homebuyer. For convenience the course is also offered online www.ehomeamerica.org for a fee.
