Even Week

Odd Week

ECUA provides collection of yard trash every other week. Your address will be assigned an even or odd week for yard trash collection and you can find out which applies to your address by visiting the Santa Rosa County Website at:

www.santarosa.fl.gov/

This calendar shows the odd or even collection weeks.

Please do not use your garbage or recycling can for yard waste, as yard waste is collected separately from household garbage.

Place bagged, bundled, or canned yard waste within two feet of the curb, and away from the street/road. Small amounts of yard waste, leaves, pine-straw and grass clippings must be contained in standard garbage containers or plastic or paper bags that do not exceed 32 gallons in size, or weigh more than 50 pounds when full. Cut limbs should not exceed six feet in length, eighteen (18) inches in diameter or 50 pounds in weight, and must be bundled securely.

Hired landscaping, land clearing or tree trimming services must remove any material that they generate.
