Re: Citizen Corps Sub-Grant
Date: July 25, 2016

RECOMMENDATION

Request approval to submit grant applications to the Florida Division of Emergency Management through Volunteer Florida for funding of up to twenty thousand dollars (\$20,000.00) through the 2016 Citizen Corp grant program and authorize the Chairman to sign all related documentation. The required match will be provided as 'in-kind' services.

BACKGROUND

Since 2005 Emergency Management established and has participated in the Citizen Corps program. The purpose of the grant is to continue the Citizen Corps program and support those volunteer groups already established within Santa Rosa County. The volunteer groups provide additional response capabilities throughout our county. The funds requested would cover the costs for training, supplies and equipment to maintain these groups.

COMPLETION

The Citizen Corps project will continue to be managed by DEM staff.
