*Steve we are requesting only clearing of the land and removable of the debris. I will be happy to have our inmate workers install the silt fencing if you all can please furnish it for us of let us know where we can purchase it.*

---

Florida has a very broad public records law. Under Florida law, both the content of emails and email addresses are public records. If you do not want the content of your email or your email address released in response to a public records request, do not send electronic mail to this entity. Instead, contact this office by phone or in person.

---

Florida has a very broad Public Records Law. Virtually all written communications to or from Santa Rosa County Personnel are public records available to the public and media upon request. E-mail sent or received on the county system will be considered public and will only be withheld from disclosure if deemed confidential pursuant to State Law.
