

Santa Rosa County

Board of County Commissioners

Sheila Fitzgerald, Special Projects/Grants Director

6495 Caroline Street, Milton, FL. 32570-4978, Phone (850) 983-1848 / Fax (850) 983-1944

MEMORANDUM

TO: Tony Gomillion
FROM: Sheila Fitzgerald
DATE: March 1, 2016
SUBJECT: Bagdad Mill Site Park – Equipment Quote

RECOMMENDATION:

Recommend the Board of County Commissioners authorize the purchase of park equipment for the Bagdad Mill Site Park from PLAYMORE in the amount of \$29,924.50 as described on the attached quote.

BACKGROUND

Construction is underway at the Bagdad Mill Site Park. The Land and Water Conservation Fund (LWCF) and the Recreational Trails Program (RTP) grants both include funding for park amenities including:

- Three (3) bike racks
- Two (2) drinking fountains
- Five (5) Picnic Tables and five (5) grills
- Sixteen (16) benches
- Four (4) trash receptacles

There is \$30,000 budgeted for these amenities. The parks department solicited quotes on January 27, 2016 from seven vendors and received seven quotes of which four included prices for each of the requested items. The four complete quotes ranged from \$25,236.92 to \$39,606.19. The second lowest quote from PLAYMORE is being recommended over the lowest quote (a difference of \$4,688) for the following reasons:

- The warranty for the majority of products proposed in the PLAYMORE quote is three years as compared to a one year warranty on the BSN quoted products.
- We have significant experience with PLAYMORE as we use their products in many county parks.
- The benches and picnic tables within the PLAYMORE quote are the same style while the BSN quote provides differing styles. From an aesthetic perspective the products in the quote from PLAYMORE are more appealing.

NEXT STEPS

Upon approval by the BOCC, the parks department will order the equipment which will be installed by parks department. The labor and equipment will be captured for grant match purposes. These funds are already budgeted.

Job Number: 10011
Revision: A

Client: County of Santa Rosa BOCC
6495 Caroline St
Milton FL 32570

Job: Site Furnishings
6075 Old Bagdad Highway
Milton FL 32583

General Terms:

Acceptance by a signature, purchase order, or contract based on this proposal indicates that you are in full agreement with all terms and conditions of this proposal, including the following:

- Prices are valid for 30 days, unless otherwise noted. After 30 days, prices are subject to change without notice.
Sales Tax will be charged unless a valid Sales Tax Exemption Certificate is presented with order.
Specify all colors and options in writing. Any discrepancies that arise due to oral selections will be the responsibility of the customer.
If the customer is installing equipment, all equipment is to be installed per manufacturer's instructions and applicable guidelines.
Installation, site work, permits, engineering, etc. are not included unless noted.

Building Permits:

Building permits are the responsibility of the owner. If a building permit is required for your project, the following options are available.

- Add 5% (minimum \$1,500) to the quotation/contract price. Playmore Recreational Products and Services will cover the costs of all the building permit fees and expeditor fees.
Playmore Recreational Products and Services can assist the customer in obtaining their own permit. Customer is responsible for all fees directly to the permitting agency and/or the expediting company.

NOTE - All zoning, planning, environmental, etc. permits and approvals are the responsibility of others as well as any required site plans. If signed and sealed engineered drawings are needed for the installation of equipment, this will be included on the proposal. If it is omitted and later discovered necessary, the cost will be the responsibility of the customer.

Standard Services Include:

- Shipping Notification/Receiving Instructions
Pre-Installation On-Site Meeting
Underground Utility Check (Sunshine State One Call)
Accept Delivery and Unload Equipment (If site is ready.)
Moving New Equipment at Job Site
Layout of Equipment
Installation of Equipment and Materials per Manufacturer's Instructions
Trash Clean Up (Leave on site.)
Post-Installation Walk Through
Maintenance Explanation

Customer Responsibilities (unless otherwise noted in the applicable quotation/contract):

- Trash Disposal - Dumpsters or Off Site Disposal.
Accept Delivery and Unload Equipment (If site is not ready.). \$500.00 Charge will apply if Customer wants Installers to Unload.
Provide Area for Storage and Staging.
Secure Site and Equipment.

Some Optional Responsibilities (Must be clearly outlined in the applicable quotation/contract):

- Removal of Existing Equipment.
Site Preparation, Grading, Drainage Systems, etc.
Engineered Drawings for Purchased Equipment.
Other Permits or Engineered Drawings (i.e. zoning permits, environmental permits, site surveys, etc.)

*Any other responsibilities must be clearly outlined in the applicable quotation/contract.

General Notes

Access/Utilities. Access must be provided to the installation area for heavy trucks and equipment. Access of equipment and personnel is the obligation of the customer to provide until the project is fully completed. We will take every precaution to avoid damage, however any damage caused by the normal installation of our product, such as to sod, concrete sidewalks, private underground utilities, etc., will be the responsibility of the customer, as will any additional costs associated with limiting damage, such as providing plywood over sod for access. If access is not reasonably close to the jobsite, any additional costs incurred due to having to transport materials and/or supplies will be the responsibility of the customer.

Rock/Foreign Object Clause. Most installations require digging of holes and footing equipment in concrete below finished grade. Removal of existing ground covers such as asphalt, concrete, tan bark, sand, pea gravel, wood fiber, rubber matting, poured-in-place rubber surfacing, or any other material that interferes or delays the digging of holes, is the responsibility of others, unless otherwise noted. If excessive underground obstructions such as rocks, coral, asphalt, concrete, pipes, drainage systems, root systems, water, or any other unknown obstructions are discovered, charges will be added to the original proposal.

Playground Surfacing. All playground equipment is to be installed over safety surfacing per CPSC guidelines and ASTM standards. If the customer contracts for something contrary to the guidelines, they are accepting all responsibility for any liability and future litigation that may arise.
