## WATER RATES

### SYSTEM OWNERSHIP AND RESPONSIBILITY

The Navarre Beach Water System is owned by the Santa Rosa County Board of Commissioners and operated by the Navarre Beach Division from wells and distribution lines to individual housing, and multi-unit developments. In multi-unit developments where the meter or meters are not located on the right of way, the meter, meter box, and cut off valves are property of the Navarre Beach Division and the lines and cross control connection devices are property of the development or association unless conveyed and accepted by the Santa Rosa County Board of Commissioners. The installation cost of the water meter and cross control connection device on all multi-units/ single meter developments will be borne by the developer.
