

REQUEST FOR
ENGINEERING PROPOSALS
SEGMENT ONE
SANTA ROSA COUNTY DISASTER RECOVERY CDBG PROJECT

Santa Rosa County, Florida is soliciting engineering proposals from qualified firms interested in providing professional engineering services in conjunction with the County's Disaster Recovery Community Development Block Grant (CDBG) Project, Segment One. Segment One consists of construction within the Town of Jay, Florida including improvements to the wastewater system, water system and community center.

Professional services required shall be secured in accordance with Rule 9B-43, 24 CFR 85.36 and Section 287.055, Fla. Stat.- "Consultants' Competitive Negotiations Act". Entities interested in submitting a proposal should contact Mr. Orrin Smith, Procurement Officer at 6495 Caroline Street, Suite G, Milton, Florida 32570 or (850) 983-1870 and request a proposal package which details the scope of services required, the factors that will be considered in the award process, the form of proposal required and the criteria under which the proposals will be evaluated. Proposals must be received by 10:00 A. M., August 31, 2005 at the above address.

Santa Rosa County reserves the right to accept or reject any or all proposals, and if an award is made, will be made to the most responsible firm whose proposal indicates that the award will be in the best interest of Santa Rosa County. The County reserves the right to waive irregularities in the proposal. The County further certifies that it will not discriminate during the selection process on the basis of age, sex, familial status, race, national origin, or handicap status.

By order of the Board of County Commissioners of Santa Rosa County, Florida.
