2008/2009 Fiscal Year Annual Report Available Online

The Santa Rosa County Board of County Commissioner's Annual Report to the Citizens for the 2008/2009 fiscal year is now available on the county's website at www.santarosa.fl.gov. The report titled "Serving Our County," highlights each department's accomplishments and achievements and contains financial summaries and statistics for the fiscal year beginning October 1, 2008 through September 30, 2009.

In order to offer this information at the lowest cost possible, the annual report was written and designed in-house and is not professionally printed, but is available on the county's Website at www.santarosa.fl.gov. To ensure everyone can access the report, citizens without internet access are encouraged to use the public computer resources available at one of the five county libraries or may call (850) 983-1877 to receive a copy by mail.
