Make Mitigation Happen Workshop

Santa Rosa County Emergency Management is hosting a “Make Mitigation Happen” workshop Thursday, May 1 from 5:30– 7:30 p.m. at Pensacola State College - South Santa Rosa Center, 5075 Gulf Breeze Pkwy., room 5131 in Gulf Breeze. Homeowners are encouraged to attend and learn about improvements they can make to save money and improve the safety of their home.

The workshop will provide information on ways to mitigate damage to your home from future disasters, including ways to make your home safer from windstorms that threaten Florida residents and how to reduce insurance premiums for homeowner’s windstorm coverage. This workshop is free to Santa Rosa County residents, and seating is limited. Register today at www.bereadyflorida.org/workshops or by [clicking here](#).

You can make a difference in your community. Invite your friends and neighbors to attend the workshop, too. For more information, visit www.BeReadyFlorida.org.
