District 4 Residents Asked to Help Set Priorities

District 4 Commissioner Rob Williamson invites residents of Holley, Navarre and Navarre Beach to play an active role in developing an improvement plan for District 4 by completing a survey to help identify and prioritize the most important issues facing the community. The simple four question survey is available online at www.santarosa.fl.gov/bocc/district4survey.cfm. Paper copies of the survey can also be found and returned at any of the following locations:

- Navarre Visitor Center/District 4 Commission Office – 8543 Navarre Pkwy., Navarre
- Navarre Beach Utilities Office – 1411 Utility Dr., Navarre Beach
- Navarre Library – 8484 James M. Harvell Rd, Navarre

Commissioner Rob Williamson encourages widespread participation in the survey by saying, “I ask all households in Holley, Navarre and Navarre Beach to take a few minutes to complete the short survey. The information we collect will help prioritize District 4 improvements and help me to focus my efforts on allocating the financial and human capital needed to bring the wishes of the community as a whole to fruition.”

The survey will be available through Friday, Jan. 30. Additional public input through public meetings will be sought following the closing of the survey. Questions about the survey can be directed to District 4 Commissioner Rob Williamson at RobWilliamson@santarosa.fl.gov or (850) 983-1877.
