Commissioner to Host District 4 Meetings

Commissioner Rob Williamson is hosting two opportunities in March to meet and discuss topics of interest with District 4 residents. The March meetings will have a basic agenda with the commissioner outlining the results of the recent District 4 survey and the overall goals of his district improvement plan, followed by an open discussion of attendees' questions, comments or concerns. Residents are encouraged to attend one of the following meetings:

- 6 p.m., Tuesday, March 3 at the Visitor Information Center located at [8543 Navarre Parkway](#)
- 2 p.m., Thursday, March 5 at the Navarre Library located at [8484 James M. Harvell Road](#)

The District 4 Commissioner plans to hold regular meetings throughout his term with the hope of being more accessible to the residents of Santa Rosa County. Williamson explains the importance of offering a variety of ways for residents to give input to their elected commissioners by saying, "Receiving consistent feedback from Santa Rosa County citizens is the only true way for me to best represent their interests and prioritize resources."
