Volunteer at the Panhandle Butterfly House!

With the advent of spring, we are seeking volunteers to help guide tours. Tour guides are trained volunteers who lead pre-scheduled groups through the Panhandle Butterfly House. They work in teams, educating both children and adult groups on the importance of butterflies and their habitat in our ecosystem.

It is an awesome experience to view butterflies through the eyes of a group of children! Please join us!

Tour training will be offered at 9:30 a.m. Tuesdays, March 24 and 31, at the Holley-Navarre Elks Lodge, 2787 located at 2002 Elks Way in Navarre, behind the Shrimp Basket and across from the Baptist Medical Clinic. For more information or to R.S.V.P. to hold a spot on your choice of days please contact grouptours@panhandlebutterflyhouse.org

For more information you can also contact Mary Derrick at (850) 623-3868 between 8 a.m. and 4:30 p.m. weekdays or via email at maryd@santarosa.fl.gov.

All programs and related activities sponsored for, or assisted by, the Institute of Food and Agricultural Sciences are open to all persons with non-discrimination with respect to race, creed, color, religion, age, disability, sex, sexual orientation, marital status, national origin, political opinions, or affiliation-ns. For persons with disabilities requiring special accommodations, please contact the Santa Rosa County Extension Office at 850-623-3868 at least five (5) working days prior to the program so that proper consideration may be given to the request.
